Cleaning Highlights

Accomplishments

There are many tasks overlooked by the city due to limited resources. As you know we provide supplemental services to assure that our neighborhood looks nice. We have been able to get a grip on graffiti this month. The presence of graffiti in our neighborhood can have a huge impact on the security level; we would like for our visitors to feel like they are in a clean safe area. All the small nuisance tags and stickers are being removed in a timely manner. Since trash is our top priority, often times small graffiti gets overlooked or placed on the back burner. I can assure you that our eyes are wide open and we are trying to provide you with the best service possible.
